Robert H. Schuller Institute
for Successful Church Leadership
January 24-27, 2005
At the Crystal Cathedral in Garden Grove, California

Dear Institute Friend,

In January 2005, the Crystal Cathedral will begin the celebration of our 50th Anniversary, 1955-2005, and the 35th Anniversary of our Institute for Successful Church Leadership, 1970-2005.

Yes! -- This January's Institute session kicks off our 50th Anniversary Celebration!!

It's certainly no secret that a lot of prayer, a lot of work, and a lot of help from God have enabled our positive Gospel to reach millions around the world.

Since 1970, we have openly shared our principles for "successful church leadership" with pastors and church leaders.

Many of our alumni left our Institute sessions with renewed vision and encouragement to establish or grow some of the most remarkable and recognized congregations in America, and around the world, TODAY.

Think about it - in 1970, where could a pastor go to learn successful principles for personal, spiritual nourishment and church growth? There was not a single source except the sometimes cumbersome route through "the denomination."

Our Institute has set a new and respected precedent.

Alumni include **Bill Hybels, John Maxwell, Bishop Charles Blake, Rick Warren, Walt Kallestad, Kirbyjon Caldwell**, and many, many others who found the fundamental principles of success at our sessions and the rest is church history!

The students outran the master and I'm proud of them - and you can do it, too!

Your potential for success in ministry is no secret, no mystery, you lack no specific talent...

...we're here to help and guide and encourage. Let's start now.

Three scripture verses have meant more to me in my 50 years of ministry here in California than ANY others:

"Be confident in this one thing ... that God who has begun a good work in you will complete it." Philippians 1:6

Yes, our church leadership Institute has a 35-year tradition of success.
I promise you, it will:

- 1. Give you positive new insights to **REFINE YOUR PURPOSE.****
- 2. **RENEW YOUR PASSION** to re-energize a dream that you thought had died.**
- 3. Help you to **REALIZE your true God-given potential.****

See you in January!

God Loves You And So Do I!
